

Qualità prototipo Peschiera

Pagine da cui partire per implementazione, selezionare e applicare:

- <http://10.1.101.44/isw/webapp/moncler/improve/main/index#touch-gui-qual/codubib:'0000000096',oeubi:'0000000134',showQualityControlPieces:1>
- <http://10.1.101.44/isw/webapp/moncler/improve/main/index#staz-rip/codubib:'0000000096',oeubi:'0000000134',showQualityControlPieces:1>

At the same time there could be more complex cases, where flows are interconnecting so we need to be open to a case by case customization
